MedallionClass™

featuring the Medallion™

What is the Medallion?

The Medallion is a revolutionary, wearable device that enables an entirely new level of service and personalised attention onboard a MedallionClass ship and is given to all guests for free. The Medallion facilitates the enhanced guest experience but has no discernible technology – no on-off switch, no charging, no menu to navigate. The Medallion holds a guest's unique digital identity and communicates with readers onboard as well as in select ports and provides crew members with information about each guest to help them provide a better service.

What does it do?

- A streamlined embarkation and disembarkation process, giving quicker and easier access to the ship
- Enhanced interaction with crew members and other guests, e.g. staff can see guest's individual food and beverage preferences and offer a more personalised service
- On demand beverage delivery, whereby guests will be able to order drinks and have them delivered directly throughout the ship and to their stateroom
- OceanCompass, which provides interactive directions throughout the ship and allows guests to easily locate friends, family and their children
- Easy payment for merchandise, drinks, shore excursions and other onboard services
- Access for guests to their real-time itinerary via portals throughout the ship, along with events and activities taking place during their cruise
- Keyless stateroom access
- Interactive games that can be played on portals across the vessel and the top deck 'Movies Under The Stars' screen, including trivia challenges and a ship-wide digital scavenger hunt
- A selection of casino games including poker, bingo and roulette available via guests' smart devices and select portals
- And much much more!

All ships in the Princess fleet are MedallionClass.*

MedallionClass features may vary by ship, and are subject to change. Guests on MedallionClass voyages will only be able to get OceanReady within 1-2 months prior to sailing.

Dine My Way

Dine My Way is all about personalising your cruise dining experience. Customise your dining time for each day via the MedallionClass app, whether making reservations for the main dining room (which is included) or speciality restaurants (which charge a small cover charge). Have dinner at the same time each night or change it based on what works for you. Once onboard, you can order food and drinks for delivery wherever you are through OceanNow®. More options at your fingertips means less time waiting and more time to dine your way.

The MedallionClass™ App

The all-in-one app interacts with your Medallion to put the MedallionClass digital experiences at your fingertips. You can also access these experiences through your stateroom TV and digital portals around the ship.

Expedite your boarding

With OceanReady® boarding is a breeze. Save time by uploading your passport and other travel documents, take your security photo in advance. OceanReady® shifts you into holiday mode faster than ever before thanks to a streamlined arrival process that lets you board more quickly.

Find your way

OceanCompass leverages the Medallion to enable point-to-point way finding across the ship thanks to an intelligent navigation assistant – similar to GPS app. Available on portals around the ship or via the MedallionClass app, OceanCompass guides you throughout the ship, providing directional information so you can seamlessly navigate to your next location, as well as easily locate and chat with friends and family onboard using ShipMates.

Service on demand

With OceanNow, you can enjoy personalised service on-demand by ordering food, drink and retail items to wherever you are onboard. Simply open OceanNow, place your order, then sit back and relax whilst a crew member finds you. Your Medallion tells crew members your exact location - so even if you move, your order will come to you.

Onboard Dining

Crown Grill Named one of the 'Best Cruise Ship Steakhouses', this refined steakhouse serves premium aged beef and fresh seafood all cooked in an open theatre-style kitchen and served in an elegant dining room

Sabatini's Italian Trattoria We've added more of what you love to our award-winning Sabatini's speciality restaurant. With both modern and rustic flair, experience antipasti and handmade pasta dishes by celebrity chef, Angelo Auriana. You can also enjoy treasured family recipes from our Italian chefs across the fleet, plus exquisite Italian wines and cocktails.

Chef's Table Lumière Join a select group of guests for an exclusive behind-the-scenes galley tour with champagne and hors d'oeuvres, followed by an extravagant multicourse dinner hosted by the ship's Executive Chef. Sit at a custom-made glass table in a private area - perfect for celebrating a special occasion.

Vines Voted one of the 'Best Wine Bars at Sea', wine lovers can pair an extensive selection of delectable tipples with anything from fresh sushi and tapas to artisan meats and cheeses

World Fresh Marketplace This laid-back setting is ideal for a quick breakfast, informal lunch, or casual dinner. Complimentary tea, coffee and homemade lemonade are available here.

The Pastry Shop Gaze in awe at these sweet delights - it's nearly impossible to pass by these treats. Also, keep an eye out for freshly baked cookies doing the rounds out on deck or opt for a decadent Afternoon Tea.

Trident Grill In addition to the hot dogs, hamburgers and chicken sandwiches that passengers love at the Trident Grill, this poolside eatery transforms into a traditional smokehouse-style barbecue each evening, serving up hearty plates of jumbo chicken wings, Route 66 beef chilli Texas-style barbecue brisket, Kansas City Sweet & Smoky Pork Spare Ribs, and North Carolina Pulled Pork. Enjoy delicious southern flavours poolside!

Gelato Get a taste of "la dolce vita" at Gelato, our gelateria on board. (Fun fact: gelato isn't ice cream. While it's creamy, it has less butter fat and fewer calories.) Choose from a variety of flavours – hazelnut, tiramisu, pistachio and more – which you can enjoy by themselves or in combination

Onboard Wellness

Chic and sleek, it offers a vibrant space with an intimate atmosphere and contemporary decor. You can grab a cocktail and dance to your favourite hits and the resident DJ keeps the party going whether you just want to people-watch or get up and move to the beat.

Vista Show Lounge The newly re-designed Vista Lounge at the aft of the ship features an endless variety of worldclass entertainers on stage each night—from live bands and comedians to illusionists and musicians. Grab an expertly crafted cocktail and snag a spot in an intimate nook for the perfect place to relax, unwind and enjoy quality time with friends and family.

Princess Live! Join family or friends at an intimate table in the spacious Princess Live! and Café, and enjoy your favourite drinks as an ever-changing variety of live performances takes the stage. Sip barista-made coffee

or tea from the Café as a fresh comedy act steps into the spotlight. Savour a quick bite while talented artists share their diverse musical styles. You may even encounter a game show that invites you to play along.

Princess Theatre With dazzling stage sets, artists from around the globe, modern hits and timeless classics, the Princess Theatre, our largest theatre yet, showcases lavish, original productions with dynamic cast members in sumptuous surroundings. In this ultramodern theatre, relax in a plush seat with unobstructed sight lines as the velvet curtain goes up, a state-of-the-art lighting system illuminates the stage, and it's on with the show!

The Piazza The social hub of the ship, the soaring atrium offers a vibrant collection of always-changing quick bites and light meals, beverages, entertainment, shopping and guest services.

The SeaWalk The ship's most distinguishing design element is an over-water SeaWalk, a top-deck glass bottomed enclosed walkway extending more than 28 feet beyond the edge of the vessel. You can enjoy dramatic views to the sea 128 feet below.

Fresh Water Pools Take a dip in our sparkling freshwater pools and leave your everyday world behind. Unwind on a padded lounge and soak up the sun, catch up on reading, listen to music or dream of your next adventure on board or ashore. And what better way to relax and revitalize after a day exploring the world than a long soak in one of our whirling hot tubs. And don't forget, there is always a server nearby to bring you a refreshing cocktail or favourite beverage.

Shops of Princess It's no surprise The Shops are awarded "Best Onboard Shopping" from Porthole magazine year after year. On board, you'll find a fabulous range of fine merchandise from brands like Swarovski, Chanel, Estée Lauder, Clinique, Lancôme, Calvin Klein, Citizen and Tissot, plus local crafts, keepsakes and souvenirs. And everyday tax and duty-free savings can add up to as much as 30% off suggested U.S. retail prices.

Sports Court Feel the court under your feet and the thrill of victory as you sink the ball in for two points. No matter your athletic ability, there's nothing like shooting a few hoops out in the middle of the ocean as you watch the sun set and the stars come out. Our Sports Court is not only set up for basketball but also for volleyball.

Your home away from home

From the moment you step aboard, we want you to feel welcomed and right at home. And with attentive service from our friendly staff that knows what hospitality means, you'll find that Regal Princess truly is your home away from home.
